## Hybrid Fences

# Yardscapes

## Vienna Aluminum Hybrid

All new modern design !  
Combine aluminum and vinyl for the ultimate hybrid fence !

Enclose your outdoor living space with the Vienna fence. With its full privacy design, it will make your space more peaceful.

The Vienna fence combines the durability of polymer boards and black aluminum rails for a contemporary style. It is easy to install with the tongue and groove boards and aluminum channel frameset.

## London Aluminum Fence

Modern style and elegance !  
Ideal for a privacy screen or a fence line built to last !

With its modern look, the spacing of the boards lets in a light breeze to cool you down on hot summer days. Add the finishing touch to your backyard oasis.

The London fence is ideal for a privacy screen or a fence line. Designed to fit perfectly with our Yardscapes railings, the London model is made of strong and durable aluminum.
